Mental Health Services

Mental health services are now available at Tanque Verde Pediatrics by our Licensed Clinical Social Workers, Crystal McCown and Lakilia Ahmed. Please see our website for their bios and credentials!

Patients who make use of this service have an option of up to 4-6 sessions with our team. These sessions will be scheduled with Tanque Verde Pediatrics for time that is appropriate for the services needed.

Please note that currently, this is a self-pay module with billing receipt provided so that the patient may apply for reimbursement with their insurance carrier if allowable. Patients must cancel with at least a 48-hour notice to avoid being charged the appointment fee.

The costs and sampling of services available are as follows (but not inclusive):

Service	Charge	Time
No-Show/Late Cancellation Fee	The cost of scheduled service	
New patient evaluation	\$175.00	60 minutes
Psychotherapy	\$60.00	30 minutes
Psychotherapy	\$75.00	45 minutes
Psychotherapy	\$100.00	60 minutes
Crisis Counseling	\$100.00	30 minutes
Post-Partum Depression	\$75.00	45 minutes
Group Therapy	\$50.00	60 minutes
Family Therapy	\$150.00	60 minutes

Thank you for your time and consideration. Our mental health providers will also help find a transitional, more long-term therapist in the community if warranted, while your child is getting acute services here.

Please discuss these options with your primary care provider if you have any questions.
